# The Malawak Experience

**"Malawak" means Expansive in Filipino**

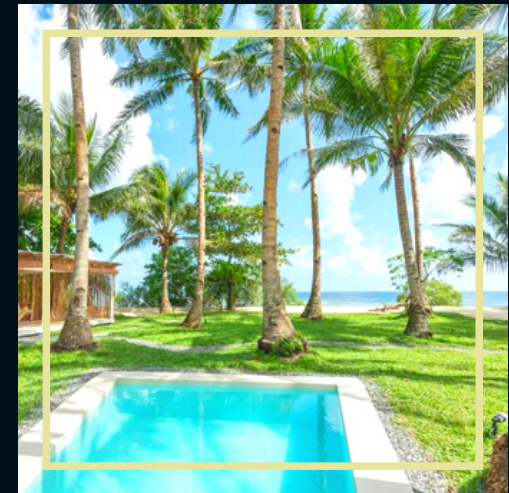

Immerse yourself in an 8-day experience  
in the breath-taking island of Siargao;  
entering a space of profound  
expansion + adventure

Where we will connect with the epic  
playground Mother Nature has created  
for us, the culture Siargao offers - while  
getting the healing our  
soul deserves.

# Location

Punta Punta Retreat Center  
Siargao, Phillipines

Every adventure starts somewhere and yours starts here. Nestled between a sleepy local village full of groms waiting to give you a high five and the deep blue Pacific Ocean, lies Punta Punta Point. Not long ago, this piece of paradise was accessible only by jungle road or private boat, however, it remains a little secret – close to the action and far from the noise. From our plunge pool, you can see the epic barreling waves at Cloud 9 and within minutes you can be at the best bars and restaurants General Luna has to offer. Yet, you won't hear more than a rooster's crow or splashing waves during your afternoon massage. The best of both worlds.
